Obituary

The Rubber Dollies are in mourning!

We are saddened and sad to say goodbye to **Marion Weber**.

She passed away on 04.08.2023

Marion got to know and love square dancing while still at school in Lower Saxony. The dance and the love led her from Söhlde to Berlin, where she became a member of the Rubber Dollies on 1.10.71 and brought a refreshing kick to the club.

With her prudent and persistent manner, Marion always had the welfare of the club in mind as president for many years and gave many an orientation. We are sincerely grateful for her support and friendship. She also took over the management of the round dances and, as cuer, always put the dancers on the right track.

Marion, we will miss you very much and keep you in our hearts.
